HEADPHONE STAND

SCREAM UNLIMITED

Our Scream headphone stand has long been one of our most popular products. Now it's finally time: With the Scream Unlimited, the long-awaited follow-up model has been released. Scream Unlimited is larger (295 mm x 270 mm) and brings out the best of your headphone.

A headphone turns good music into an outstanding pleasure. The new headphone stand Scream Unlimited makes sure that your headphone doesn't get dusty after use. The special design of this product not only gives over- and on-ear headphones a secure grip - even on heavy models. In addition, the shape ensures that the cushions are only subjected to minimal strain. The headphone stand is not only practical. Its attractive design also makes an outstanding visual impression.
